Dear Sir/Madam

**Re: AGPAL and QIP Response to the Consultation Paper:  
*Proposed Quality and Safeguarding Framework for the NDIS***

Australian General Practice Accreditation Limited (AGPAL) and *Quality Innovation Performance* (QIP) are pleased to be provided the opportunity to contribute to the discussion around an appropriate national quality and safeguarding framework for the National Disability Insurance Scheme (NDIS). Attached is our response to the Consultation Paper.

Should you wish to discuss any aspect of this response further, please feel free to contact Pam Kennedy, General Manager Vic/Tas and National Lead for Community Sector Accreditation Programs, on 03 9329 5144 or [pkennedy@qip.com.au](mailto:pkennedy@qip.com.au).

We look forward to a strong, safe high quality NDIS as it expands nationally and commit to contributing where we can to better outcomes for participants in the scheme, through fostering continuous quality improvement in the sector.

Yours sincerely

Dr Stephen Clark  
Group Chief Executive  
AGPAL and QIP
