

The Nest

a framework for understanding what children and young people need to thrive

Core DSS and other government initiatives

- Successor plan to the *National Framework for Protecting Australia's Children 2009-2020*
- *National Plan to Reduce Violence against Women and their Children 2010-2022*
- *National Disability Strategy 2010-2022*
- DSS Families and Children activity reform 2021

Creates literacy in **child safety, health and education outcomes**; enables **contextual understanding of core initiatives**; focuses attention on **outcomes not activity**; supports **outcome measures and indicator pathways**

National overview of Australia's progress

Indicator pathway: builds high level / national aggregates

Sector capability building – core concepts, shared language, understanding of own role in child outcomes

Indicator pathway: individual services identify contribution and impact

Work with services to develop indicators; ARACY "distance travelled" client tool captures and aggregates impact for reporting and continuous improvement

ESSENTIAL CHANGE DOMAINS

Concerted leadership

Smarter investment

Engaged public

Stronger workforces

Integrated delivery

Putting data and learning to work
