

16979 - New submission from Early Years Strategy - Public Submissions

I am interested in being part of the early years strategy to advocate for my community, our little people and my people. I am a proud Aboriginal woman, mother of three and active community member of Mildura Victoria. I work directly with Aboriginal children aged 0 to 5 and their families. I have worked with Connected Beginnings Mildura where I developed an Aboriginal community led play group. I am passionate about my community and placed base change.

Thank you,

Nikita Hart
