# Advisory Committee for the National Carer Strategy

## **Expression of Interest Application Form**

### Background

In October 2023, the Minister for Social Services, the Hon Amanda Rishworth MP, announced the development of a National Carer Strategy (the Strategy), to deliver a national agenda to support Australia's carers.

The Strategy will recognise the immense contribution of Australia's unpaid carers to the community, and provide a framework for coordination of carer policy across Commonwealth portfolios including aged care, disability, veterans' affairs and mental health. It will be developed in consultation with carers across Australia to reflect the diversity of carers, the challenges they face and appropriately supports carers' wellbeing, as well as their economic and social participation.

A National Carer Strategy Advisory Committee (the Advisory Committee) is being formed to support the development and implementation of the Strategy. The Advisory Committee will include carers with lived experience from diverse backgrounds as well as sector representatives from a range of portfolios, including aged care, disability, veterans' affairs, and mental health.

We are seeking nominations for carers to join the Advisory Committee through an open EOI process and appointed by the Minister for Social Services, the Hon Amanda Rishworth MP. This document is the application form to express interest in being a member of the Advisory Committee. Where nominees consent, applications made through this process may be used to select working groups, roundtables or focus groups.

For more information and to support your application, please read the <u>Background and</u> Frequently Asked Questions.

Applications will close at 11:59pm on 29 January 2024.

#### Submitting a handwritten form

<u>Online applications</u> are preferred but we can accept handwritten EOI forms. If you wish to submit a handwritten form, please:

- Download and print off a copy of this form.
- Write your answers clearly in blue or black pen, in the spaces provided.
- Scan and email your completed form to <u>nationalcarerstrategy@dss.gov.au</u> by 11:59pm on 29 January 2024.

### Your experience and skills

The expression of interest form is for us to understand your experience, skills and interest relevant to the National Carer Strategy. The following questions seek to understand your unique experience and abilities. As a result, there are no right or wrong answers to these questions.

Strong answers will focus on connecting your experiences and skills to the goals of the National Carer Strategy; to develop a coherent national agenda, recognise the role and contributions of carers and speak to the challenges carers face.

The questions are on the next few pages.

# Your experience and understanding of matters affecting Australia's unpaid carers (300 word limit)
