Your views about Income Management

We want to hear your views about
Income Management.

What is Income Management?

People on Income Management might have
a BasicsCard.

People on enhanced Income Management
have a SmartCard.

On Income Management or
enhanced Income Management, some
money people get from Centrelink goes to a
BasicsCard or SmartCard.

The rest of their money goes to their personal
bank accounts.

The money people get in their Income Management or enhanced Income Management account helps people pay for everyday things.

For example

- food

- rent

- bills

- school.

There are some things people **cannot** buy.

For example, they **cannot** use their card to buy

- ***tobacco*** or tobacco products
 - tobacco is used in cigarettes and other products

- ***pornography***
 - pornography means sexual pictures, videos or text

- alcohol or ***homebrew kits***
 - homebrew kits are used to make alcohol.

Also, they **cannot** use their card to

- ***gamble***
 - gamble means betting money on things

- buy some gift cards and products that are like cash

- get cash out.

About the consultation

We are ***consulting*** with the community about the future of Income Management.

Consulting means the government listens to people's views before they decide what to do.

Consulting with the community helps us to learn

- what works

- what does not work

- how to make things better.

What you say will help shape the future of Income Management.

How to tell us your views

We will visit your community to hear people's views about Income Management.

We will come with people from a First Nations company called ETM Perspectives or ETMP.

When we are in your community we will ask some questions.

For example

- What is your story about Income Management?

- Does your community need Income Management?

- Should people be able to choose to be on Income Management?

- What help do people need if they come off Income Management?

Who will we talk to?

Anyone in your community can share their views or story.

For example

- people on Income Management

- people who have family or friends on Income Management

- people with disability and their families.

Do you have to tell us your views?

You do not have to share your views.

If you want to share your views, you can answer some or all of our questions.

Your privacy

We will keep your private information safe.

For example, your name and where you live.

We will **not** share your private information with other people or groups.

Help to share your views

You can ask someone you know to help share your views.

For example

- a friend
- someone in your family
- a support worker.

More information

You can find more information about the consultation on our website engage.dss.gov.au/incomemanagement

On our website you will also find

- this Easy Read fact sheet

- information in First Nations languages

- information about the consultation events in your community

- when the consultation ends

- other helpful information.
