Description

Supports to establish assistance within the participant’s home or community to develop skills. Includes support coordination, mentoring, peer support and individual skill development such as attending appointments, shopping, bill paying, taking part in social activities and maintaining contact with others.

Active involvement in planning and transition supports on the basis of a person having reached a point of stability in regard to functional capacity, prior to hospital discharge (or equivalent for other healthcare settings) wherever there is a need for ongoing maintenance support.

Carve outs that are not 'NDIS supports'

N/A

Assistance to Access and Maintain Employment or higher education

Description

Workplace assistance that enables a participant to successfully obtain and/or retain employment in the open or supported labour market, including individual employment support, employment preparation and support in a group and school leaver employment supports to assist students transitioning from school to employment.

Carve outs that are not 'NDIS supports'

Does not include:

- learning and support needs of students that primarily relate to their education and training attainment,
- work-specific support related to recruitment processes, work arrangements or the working environment,
- funding or provision of employment services and programs

Assistance With Daily Life Tasks in a Group or Shared Living Arrangement

Description

Assistance with and/or supervision of tasks of daily life in a shared living environment, which is either temporary or ongoing, with a focus on developing the skills of each individual to live as autonomously as possible, including short term accommodation and respite.

Carve outs that are not 'NDIS supports'

N/A

Assistance With Travel/Transport Arrangements

Description

Transport assistance, including training, activity-based transport, provider travel, and costs associated with the use of taxis/private transport, where the participant cannot

travel independently or use public transport due to the impact of their impairment/s on their functional capacity.

This includes transporting participants to funded supports and other activities including school, educational facility, employment, or the community.

Carve outs that are not 'NDIS supports'

N/A

Assistive Equipment for Recreation

Description

Specialist products used in competitive and non-competitive sports and other recreational pursuits.

Carve outs that are not 'NDIS supports'

N/A

Assistive Products for Household Tasks

Description

Specialist products to enable cooking, cleaning, washing, home maintenance and other tasks.

Carve outs that are not 'NDIS supports'

N/A

Assistive Products for Personal Care And Safety

Description

Specialist products for personal care or safety including beds and pressure mattresses, toilet and bathroom equipment, specialised clothing and continence needs.

Carve outs that are not 'NDIS supports'

N/A

Specialist Positive Behaviour Support

Description

Support provided by professionals with specialist skills in positive behaviour support including assessment, development and delivery of a comprehensive plan that aims to reduce and manage behaviours of concern, and training and ongoing monitoring of staff in plan implementation.

Carve outs that are not 'NDIS supports'

N/A

Communication And Information Equipment

Description

Products to assist with alternate communication or to access written or spoken communication via electronic or other means.

Carve outs that are not 'NDIS supports'

N/A

Community Nursing Care

Description

Provision of specialist care for participants who have high care needs requiring a high level of skill, and for the training of support workers to respond to the participant's complex needs.

Carve outs that are not 'NDIS supports'

N/A

Customised Prosthetics (includes Orthotics)

Description

Prescription and manufacture of customised prostheses or orthoses requiring specialist skills.

Carve outs that are not 'NDIS supports'

N/A

Daily Personal Activities

Description

Assistance with and/or supervision of personal tasks of daily life to enable a participant to live as autonomously as possible in a range of environments, including but not limited to, the participant's own home.

Carve outs that are not 'NDIS supports'

N/A

Development Of Daily Care And Life Skills

Description

Development of daily living and life skills focuses on training and development activities undertaken by a participant or their carer to increase their ability to live as autonomously as possible, including supports that will enhance the ability of the participant to travel and use public transport independently.

Carve outs that are not 'NDIS supports'

N/A

Disability-Related Health Supports

Description

Disability-related health supports where the supports are a regular part of the participant's daily life, and result from the participant's disability. This includes continence, dysphagia, respiratory, nutrition, diabetic management, epilepsy, podiatry and foot care, and wound and pressure care supports.

Supports for people with complex communication needs or challenging behaviours while accessing health services, including hospitals and in-patient facilities.

Carve outs that are not 'NDIS supports'

N/A

Early Intervention Supports For Early Childhood

Description
