

**Organisation name**

Australian Hindu Multicultural Association Inc

**1**

many community organisations are self funded by contributions and donations made by their members and well wishers. As such these organisations are often unable to offer services on vital projects.

**2**

Establish a body comprising of a delegate from each well established and registered organisations to advise the government regarding the essential needs of their organisations. Some of vital areas are safety issues, fencing, cctv cameras. Issues pertaining to language and culture

**3**

Cheaper insurance for assets and public liability.Premiums are skyrocketing at the moment. It's a question of survival of such organisations.
